

The Implementing Recommendations of the 9/11 Commission Act of 2007 **(9/11 Commission Act)**

This Act amended section 1016 of Intelligence Reform and Terrorism Prevention Act (IRTPA) and amended the Homeland Security Act of 2002 to expand the scope of the Information Sharing Environment (ISE):

- To include explicitly homeland security information and weapons of mass destruction information;
- To formalize many of the recommendations developed in response to the President's information sharing guidelines, such as the creation of the Interagency Threat Assessment and Coordination Group and the development of a national network of State and major urban area fusion centers; and
- To require the establishment of the Department of Homeland Security State, Local, and Regional Fusion Center Initiative to establish partnerships with state, local, and regional fusion centers.
